Facilitator - David Dilks, Lura Consulting

Discussion Questions:

1. *What feedback do you have on the results of the evaluation to date – What do you like? What concerns do you have?*
2. *What would you like the Project Team to consider further as the project moves into the detailed design stage?*

Next Steps and Closing Remarks 8:55pm
Chris Glaisek, Waterfront Toronto

Adjourn 9:00pm

QUEENS QUAY REVITALIZATION ENVIRONMENTAL ASSESSMENT: Opportunities to Participate Going Forward

Since the Queens Quay Revitalization EA began in September 2007, there has been extensive public consultation, including 5 meetings of the project's Stakeholder Advisory Committee; 3 public forums (including tonight's meeting); and multiple meetings with organizations and individuals with an interest in a revitalized Queens Quay corridor.

Although the EA has reached the stage where preferred alternatives are being recommended, there are multiple ways to participate going forward:

Activity

Timing

Public Forum #3

Provide feedback at the public meeting and/or open house.

March 25 & 28, 2009

Post Public Forum #3 Comment Period

Provide written comments to Waterfront Toronto after Public Forum #3 (see final page for contact details).

Mar 29 – Apr 17, 2009

City of Toronto Executive Committee Meeting

Requests for deputations can be made to the Clerk's Office, City of Toronto.

June 2, 2009

City of Toronto Council Meeting

It is anticipated that Toronto Council will consider the Queens Quay project at its July meeting.

July 6, 2009

Notice of Study Completion

Waterfront Toronto will publish a notice that the Queens Quay EA has been completed, and that the project report will be available for a 30-day comment period. Waterfront Toronto and the City of Toronto will endeavour to address concerns raised during the comment period.

Mid-August 2009

Part II Order Request

If concerns regarding the project cannot be resolved in discussion with Waterfront Toronto and the City of Toronto during the 30-day comment period, a person may request the Minister of the Environment to make an order for the project to comply with Part II of the Environmental Assessment Act (a Part II Order). A Part II Order requires a proponent to embark upon an individual Environmental Assessment.

Anticipated final approval of the project

Fall 2009

Detailed Design

If the project is approved, Waterfront Toronto will continue a full public outreach program, including public and stakeholder meetings.

Fall 2009 – Spring 2010

DISCUSSION QUESTIONS

Question 1

What feedback do you have on the results of the evaluation to date – What do you like? What concerns do you have?

Question 2

What would you like the Project Team to consider further as the project moves into the detailed design stage?

Question 3

Do you have any additional comments on any other aspect of the Queens Quay Revitalization EA?

PLEASE RETURN comment sheets to the Registration Table before you leave
or by **Friday, April 17, 2009** to:
