

**WATERFRONT**Toronto

# Help decide the future of the Gardiner Expressway East

We invite you to join us at the third public meeting where you can comment on the results of the evaluation of the alternative solutions for the future of the Gardiner Expressway East.

## The Study

Waterfront Toronto and the City of Toronto are jointly carrying out the Gardiner Expressway / Lake Shore Boulevard Reconfiguration Environmental Assessment (EA) and Integrated Urban Design Study. The EA will determine the future of the Gardiner Expressway East and Lake Shore Boulevard East, from approximately Jarvis Street to approximately Leslie Street. The study area for the EA is displayed on the map below.

The four alternative solutions that have been considered are:

- **Maintain** the elevated expressway;
- **Improve** the urban fabric while maintaining the existing expressway;
- **Replace** with a new above-or-below grade expressway; and,
- **Remove** the elevated expressway and build a new boulevard.

## Get Involved

Interested persons are invited to participate through a series of public meetings, live webcasts, workshops and online opportunities. If you can't attend in person, you can participate and watch the meeting online at [www.gardinereast.ca](http://www.gardinereast.ca).

### Gardiner Expressway East Public Meeting
