

New park New connections New memories

Corktown Common

you're invited!

Please join Waterfront Toronto and its development partners, Dundee Kilmer and Urban Capital as we celebrate the official opening of Corktown Common with a community picnic. Enjoy a free BBQ, fun food and activities, live music and all the amenities the park has to offer. Food and entertainment provided by Dundee Kilmer and Urban Capital.

Date: Thursday, July 10, 2014

Time: 5:00pm to 8:00pm at the pavilion and central lawn.

Location: Corktown Common is located at the foot of Bayview Avenue at Lower River Street. [Map.](#)

Transit: Please see the [TTC's diversion notice](#) for route details. The 501 Queen streetcar is diverting between Parliament Street and Coxwell Avenue. 501 Queen shuttle buses will make stops at River Street - both eastbound and westbound. Walk south on River/Lower River Street, past Lawren Harris Square. Park entrance is on the east side of Bayview Avenue.

Parking: There is very limited street parking in the area so we're providing a complimentary accessible shuttle. Park in one of the local "P" lots, then head to the southwest corner of Mill Street and Trinity Street, and jump on our shuttle in front of the main gates to the Distillery District. Continuous two-way service to and from the party will be available from 4:45pm until 8:15pm.

Cycling: We're providing complimentary Bike Valet parking. So, ride your bike, sign in, get your numbered parking tag, and go have fun. When you're ready to leave, just present your tag to reclaim your bike.
