

Biographical Notes

John W. Campbell ***President and CEO, Waterfront Toronto***

John Campbell is President and Chief Executive Officer of Waterfront Toronto. Before joining the Waterfront Toronto in 2003, John was a senior executive at Brookfield Properties. He headed up the Canadian property management services subsidiary and also played a leadership role in the development of the company's most prestigious property – BCE Place; directing construction, marketing and leasing of the \$1.2 billion award winning project. Prior to joining Brookfield in 1989, John held senior positions in the real estate divisions of Bimcor Inc. and Bell Canada. He has an MBA from the University of Toronto and a Bachelor of Engineering degree from Carleton University.

Christopher E. Glaisek ***Vice President, Planning and Design, Waterfront Toronto***

Christopher Glaisek is Vice President of Planning and Design for Waterfront Toronto. Prior to joining Waterfront Toronto in 2005, he was a senior executive for the Lower Manhattan Development Corporation (LMDC). Chris was instrumental in devising the Innovative Design Study that led to the selection of the Daniel Libeskind master plan for the World Trade Center site. Prior to joining LMDC, he was Director of Planning for NYC2012, where he helped develop the winning bid for New York City to become the U.S. candidate city for the 2012 Olympic Games. He holds a Master of Architecture degree from Yale University and a Bachelor of Arts degree from Brown University.

Kevin P. Bechard ***Director, Environmental Assessments, Waterfront Toronto***

Kevin Bechard is Director, Environmental Assessments for Waterfront Toronto. Prior to joining Waterfront Toronto in 2008, Kevin was Director, Public Affairs for Waste Management of Canada Corporation. He was responsible for project planning and implementation of complex energy recovery, waste recycling and disposal facility approvals under the Ontario Environmental Assessment Act, Planning Act and Environmental Protection Act. Kevin has been responsible for managing several large multi-stakeholder public consultation processes. He holds a Masters of Planning degree from the University of Guelph and a Bachelor of Environmental Studies (Planning) from the University of Waterloo.
