

TORONTO WATERFRONT
REVITALIZATION CORPORATION

The Toronto Waterfront Revitalization Corporation invites you to... *Explore the Port Lands!*

The Port Lands present an unprecedented opportunity for waterfront revitalization – approximately 350 hectares of largely underutilized land with exceptional waterfront access and within a 20 minute walk of downtown.

Join Toronto Mayor David Miller, Ward 30 Councillor Paula Fletcher and representatives from TWRC and our partners at the City of Toronto, TEDCO and the Toronto and Region Conservation Authority for an open house and bus tour of the Port Lands where you can see first hand the initiatives that are planned and underway in this remarkable part of Toronto's waterfront.

Come learn about:

- TWRC's Port Lands Implementation Strategy
