**CONSTRUCTION NOTICE #7: Queens Quay East Interim Improvements (Lower Jarvis to Parliament)**

*For the two-week period from November 24 to December 5, 2014*

**PROJECT SCOPE**

The construction of a new Martin Goodman Trail and sidewalk on the south side of Queens Quay is well underway. Over the next two weeks, crews will be working as follows:

**Zone 1 – Lower Jarvis Street to Dockside Drive:**

The removal of hard and soft surfaces is underway in this area and is expected to be complete by the end of November. Crews will then begin the installation of the new sidewalk in this area.

**Zone 2 – Richardson Street to Bonnycastle Street**

Work is ongoing. Crews will begin the installation of cast-in-place curbs and sidewalks and asphalt paving for the new Martin Goodman Trail. Major construction activities are expected to be completed by the end of November in this area.

**Zone 3 – Bonnycastle Street to Small Street**

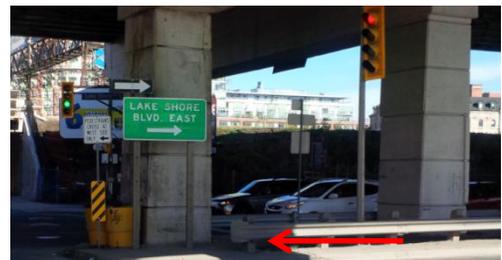

Work is underway on asphalt paving for Martin Goodman Trail in this area. Asphalt will be paved by the end of November.

**Zone 4 – Small Street to Parliament Street**

Over the next two weeks crews will start the installation of asphalt for Martin Goodman Trail. This area will be paved by the end of November.

**Zone 5 – Parliament Street & Lakeshore Boulevard crosswalk work**

Crews expect to begin the construction of a new crosswalk along the east side of the Lakeshore Blvd/Parliament St. intersection. Crews will begin by removing the existing median island and guardrail so that a safe crosswalk can be installed.

Crosswalk to be installed east of Gardiner column

**Pedestrian, Cyclist and Vehicular Access**

The eastbound curb lane on Queens Quay will be closed to cyclist and vehicular traffic between Jarvis Street and Dockside Drive and Small Street and Parliament Street. Cyclists and vehicles will be required to share the remaining eastbound lane of traffic. Pedestrian access east of Lower Sherbourne to Lake Shore Blvd will be closed on the south side of Queens Quay, please use the north sidewalk in this area.

**Municipal Services Work**

Municipal services work is underway to support new developments in East Bayfront including Bayside and Monde. The majority of work is occurring along Bonnycastle Street / Queens Quay East. The construction of new sewers on Queens Quay/Lake Shore from Bonnycastle to Cherry Street is expected to commence shortly. Traffic diversions will be required to accommodate the construction of the new sewers located within the road.
