you're invited to our new waterfront boulevard

Please join Waterfront Toronto and our government partners as we celebrate another major milestone in the revitalization of our waterfront – the official opening of the new Queens Quay.

Get a front-row seat by being part of the action at the opening ceremony, where we'll be orchestrating the biggest ribbon cutting Toronto has ever seen. Imagine you, with hundreds of friends, family and fellow students waving a flowing 650-metre long ribbon to celebrate the end of construction and the start of a new era on Queens Quay. Sign up to get more details at www.surveymonkey.com/r/queensquayvolunteer.

Date: Friday, June 19, 2015.

Time: 6:00 p.m. to 7:00 p.m. Participants that want to help wave the ribbon will be asked to arrive before 5:00 p.m. to sign in.

Location: Simcoe WaveDeck, on the south side of Queens Quay West between Lower Simcoe Street and Rees Street. [Map](#).

Transit: Closest TTC subway station is Union Station. Take the 509 Harbourfront streetcar or the 510 Spadina streetcar to Harbourfront Centre. Walk west on the south side of Queens Quay to Simcoe WaveDeck, before Rees Street. Please use the [TTC trip planner](#) for additional options.

Parking: We strongly recommend taking public transit, but if you are driving paid parking is available nearby at Harbourfront Centre on Queens Quay West at Lower Simcoe Street and at the Radisson Hotel on Queens Quay West at Robertson Crescent. Other paid parking lots are available on the north and south side of Queens Quay, Lower Simcoe Street and Bay Street.

Accessibility: The new fully-accessible TTC streetcars are running on the 509 Harbourfront streetcar and the 510 Spadina lines. The closest Wheel-Trans pick-up and drop-off location is Harbourfront Centre (235 Queens Quay West).

Our festivities kick off the [Redpath Waterfront Festival](#) and we encourage you to stick around to enjoy the weekend-long celebration. Large volume of crowds are expected throughout the weekend. If you have specific accommodation requirements, or require more information please contact Waterfront Toronto by email at info@waterfronttoronto.ca or by telephone at 416-214-1344.

Waterfront Toronto is the public advocate and steward of waterfront revitalization. The city, provincial and federal governments created Waterfront Toronto to oversee, lead and implement the revitalization of our waterfront. www.waterfronttoronto.ca
