CONSTRUCTION NOTICE #4: Queens Quay East Interim Improvements (Lower Jarvis to Parliament)

For the two-week period from October 13 to October 24, 2014

PROJECT SCOPE

The construction of interim improvements for pedestrians and cyclists is underway in East Bayfront. This includes a new Martin Goodman Trail and sidewalk on the south side of Queens Quay. Over the next two weeks, crews will be working as follows:

Zone 1 – Lower Jarvis Street to Dockside Drive:

- Granite installation at the head of the Jarvis Slip will continue over the next two weeks with no impact to pedestrians.

Zone 3 – Bonnycastle Street to Small Street

- Crews began work in this area on October 6, 2014. The removal of soft and hard surfaces is on-going and the installation of the granular sub-base for the new sidewalk and Martin Goodman Trail has also commenced. This work will continue over the next two weeks.

Zone 4 – Small Street to Parliament Street

- The installation of new curbs and the new sidewalk will begin – and continue – over the next two weeks.
- The removal of hard and soft surfaces and installation of granular at Small St. intersection will begin.

Zone 5 – Parliament Street & Lakeshore Boulevard crosswalk work

- Crews expect to begin the construction of a new crosswalk along the east side of the Lakeshore East Blvd and Parliament St. intersection. Work will begin with the demolition – and reconstruction – of the middle island followed by new curbs.

Municipal Services Work

Municipal services work is also underway to support new developments in East Bayfront including Bayside and Monde. The majority of the work for these projects is occurring along Bonnycastle Street which is currently closed to traffic. Crews also expect to begin work on a new watermain connection within Queens Quay at Bonnycastle.

Pedestrian, Cyclist and Vehicular Access

The eastbound curb lane will be closed to cyclist and vehicular traffic between Small Street and Parliament Street. Cyclists and vehicles will be required to share the remaining eastbound lane of traffic. Pedestrian access east of Lower Sherbourne to Lake Shore Blvd will be closed on the south side of Queens Quay, please use the north sidewalk in this area. Signage will be in place for any required pedestrian diversions.
