

Sidewalk Toronto will blend people-centred urban design with cutting-edge technology to help create complete communities.

On November 1, 2017, we'll host a Community Town Hall where we'll ask you to join the conversation and learn more about [Sidewalk Toronto](#), and introduce you to our partners at Sidewalk Labs. Come out to share with us your ideas, your concerns, your hopes. The neighbourhood of the future begins with all of us. Please stay tuned for further details.
