**REQUEST FOR PROPOSAL
2024 Temporary Floating Public Art at Harbor Square Park Basin**

Addendum #1

Please refer to the Request for Proposal document, which is hereby amended as follows. The additions, deletions and/or revisions as hereinafter specified, shall become part of the Request for Proposal document:

1. RFP Timetable

Submission Deadline: The deadline *has NOT been changed* and remains:

December 18, 2023 by 2:00 p.m. (EST)

2. Enquiries

The following enquiries have been received, and responses have been provided for clarification and information purposes.

Question 1

Our team has applied for previous Calls, are you able to review our previous submission to this project and provide us with feedback?

Response 1

We are currently in the Blackout Period, where communication between Waterfront Toronto staff and Artists applying to the Call is limited. All questions should be directed to publicart@waterfrontoronto.ca but during this time, Waterfront Toronto is unable to review submissions and provide feedback. Please refer to 3.2 in the RFP.

Question 2

Are you accepting international Artists?

Response 2

This is a Call for Canadian Artists based and practicing in Canada. Please look out for Calls in the future that may be open to international Artists.

Question 3

Is there a form that Artists must submit along with their submissions?

Response 3

Unlike in previous years, Waterfront Toronto only requires the Artist's proposal to be submitted. Please refer to 4.2.1 in the RFP.

Question 4

Do Artists have to be based in the GTA?

Response 4

This Call is open to Canadian Artists based and practicing in Canada. We strongly encourage Artists to use local subcontractors.

All other terms and conditions to remain the same.

Public Art Department, Waterfront Toronto

END OF ADDENDUM #1
