## CONSTRUCTION NOTICE #2: Queens Quay East Lakefill

### Background

As part of the Quayside project, Waterfront Toronto will extend Queens Quay east to the planned new Street A, including a new intersection with a realigned Parliament Street. The extension of Queens Quay East will support the future road network and planned light rail transit in the area. To facilitate this work, the head of Parliament Slip will be filled in and a new dockwall will be constructed.

### Location

Area within and surrounding the Parliament Slip spanning from just east of Merchants' Wharf to 333 Lake Shore Boulevard East and south to the waterfront.

*Figure 1: Location of staging and construction*

### What to expect

In preparation for construction, the specialized marine contractor mobilized construction and marine equipment on site in late December 2023. On January 8, 2024, the construction team will begin construction on the Lakefill.

#### Land side activity:

- Construction equipment (trucks, excavators, etc.) soil management, storage, trailer compound, monitoring and testing, and some site investigation works

- Truck traffic
- Flagmen: supporting pedestrian and cyclist safety on Martin Goodman Trail

Water side activity:

- Barges and tugboats located within the Slip
- In-water turbidity curtains & oil booms will be installed to control debris and sediment during construction, ensuring water quality, and health of aquatic animals and vegetation
- Dredging
- Lakefilling
- Dockwall installation work
- Rockberm construction
- Environmental liners
- Specialized monitoring programs (turbidity, dockwall movement, air quality, etc.)

**Timeline**

- January 2024-January 2025
