

**THE TORONTO WATERFRONT REVITALIZATION CORPORATION AND THE ONTARIO REALTY CORPORATION
CLASS ENVIRONMENTAL ASSESSMENT AND
WEST DON LANDS SOIL AND GROUND WATER RISK ASSESSMENT**

The Ontario Realty Corporation (ORC), in conjunction with the Toronto Waterfront Revitalization Corporation (TWRC), is conducting a Public Information Session with respect to undertaking a Risk Assessment and the filing of Records of Site Condition (RSCs) in accordance with Regulation 153 under the Environmental Protection Act. In addition, ORC is commencing with a Category B Class Environmental Assessment for the undertakings of Demolition and Land Transfer/Sale as part of the revitalization for the West Don Lands. Information regarding these two projects will be available at the information session:

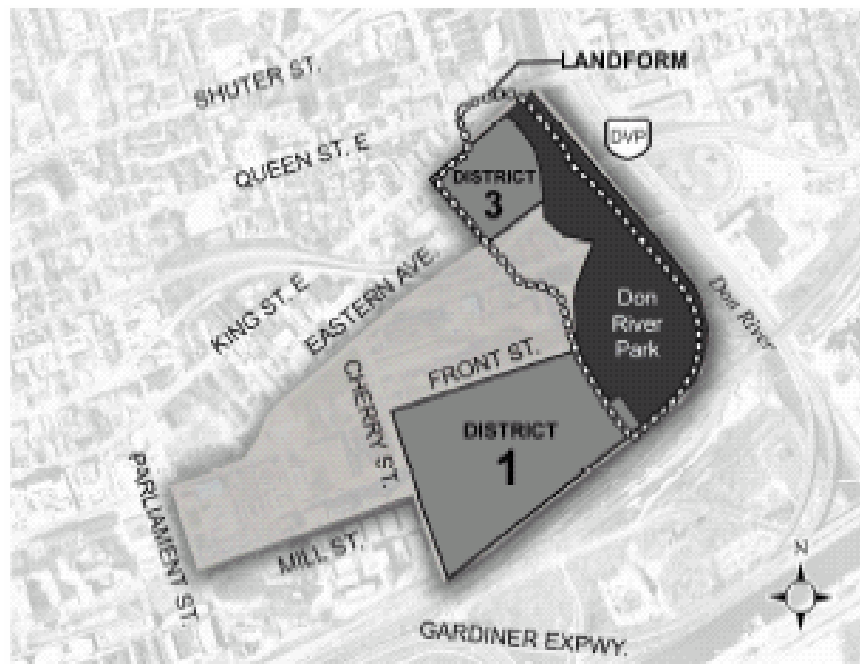

Wednesday, July 20, 2005

6:00 p.m. – 7:00 p.m. (Open House)

7:00 p.m. – 9:00 p.m. (Presentation and Discussion)

St. Lawrence Hall (The Great Hall), 157 King St. East, Toronto

TWRC and ORC representatives and technical experts will be available to provide information about the Risk Assessment and Environmental Assessment and to address questions from the public.
