In addition, Waterfront Toronto acknowledges that Toronto has historically been a gathering place for many Indigenous people including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples, and is home to many First Nations, Inuit and Métis peoples today.

Board Chair	Secretary

I am pleased to provide this CEO Report for the upcoming quarterly Board meeting. Since the last report, I have continued to be fully engaged with staff, governments and other stakeholders and agencies operating on the waterfront.

Marine Use Strategy/Parliament Slip

On March 8th we released an updated 2020 Marine Use Strategy as well as our vision for animating the Parliament Slip.

The Marine Use Strategy is a signature piece in Waterfront Toronto's vision for creating a dynamic and accessible waterfront – highlighting ways to reorient the city to the water. The report outlines a plan to create an animated and accessible waterfront city for everyone and explores how to best balance the diverse uses of the harbour and maximize its value for residents and visitors alike. It also highlights more opportunities for accessing the water – for swimming, kayaking, paddle boarding, and windsurfing etc.

The Parliament Slip proposal is a complement to the Marine Use Strategy and a first step towards implementing the strategy. The Parliament Slip proposal can bring many recommendations in the report to life including new swimming pools, mooring opportunities, better access to the water's edge and floating structures on the water to accommodate concessions and a floating restaurant. In addition, the WaveDeck will enable us to create important aquatic habitat beneath its surface (similar to the WaveDecks further west). Altogether this would create a very dynamic and welcoming public space. We will also begin to highlight more clearly the link between the Quayside RFQ/project and the Parliament Slip.

Both the Marine Use Strategy and Parliament Slip announcements were very positive with excellent media coverage for the Parliament Slip in particular with the new renderings generating much attention. Our key messages about *reconnecting the city with the Lake* appeared in most of the coverage with the floating restaurant in lakeside pool generating excitement. The Newsroom on our website experienced an unprecedented number of views.

Quayside RFQ

Subsequent to Board approval on February 23rd, the Quayside Developer Request for Qualifications (RFQ) was released on March 10, 2021. Through this RFQ we are looking to shortlist qualified development teams with vision, passion and a commitment to design excellence to deliver a community that is dynamic, inclusive and resilient. RFQ submissions are due May 12, 2021.

We have also created an online Roster of Interest that is open to everyone. At other times we would have hosted in-person information sessions that would have allowed businesses to meet and exchange business cards. Since that is not possible, the Roster is designed to help companies express their interest in being part of a proponent team. The Roster provides a quick way for companies to share some basic information about themselves so that potential bidders can easily locate and connect with interested companies, if they choose. We are hoping that this resource will help facilitate new collaborations, infuse new ideas and create opportunities for a broad array of businesses to contribute to achieving our objectives for Quayside.

The RFP is planned to be released late Spring/early Summer with a view to selecting the winning proponent by the end of 2021/beginning of 2022.

We will continue to engage our government partners throughout the process and will convene the next Quayside Stakeholder Advisory Committee Meeting on March 24th.

COVID-19

The Joint Health and Safety Committee and the Human Resources team continues to monitor the risks and requirements arising from the COVID-19 pandemic. It is guided by public health directives: have taken steps to protect staff, contractors and the public and have adapted Waterfront Toronto's (WT) operations and actions in response to the pandemic.

This month marks one year since the Corporation began working remotely. The decision to send everyone home was made to protect the health and safety of our staff and their families, and to do our part for the public health of our larger community. I am incredibly proud of how agile and resilient our staff have been throughout this period.

I am also very pleased to report that the Corporation continues to operate effectively and efficiently with excellent collaboration across the organization and with our government partners. Staff continue to use online meeting technology for day-to-day operations as well as for Board, Committee and Panel meetings. We also continue to monitor the impacts of COVID-19 on our projects.

Given the potential for a third wave and the beginning of an upward trend in cases yet again in Toronto, we continue to monitor the information from public health officials to determine a potential timeline for a return to the workplace.

Resourcing

As indicated in my previous Reports we continue to review workforce requirements to ensure our skills and capabilities meet current and future needs of the Corporation.

As part of Waterfront Toronto's three-year Internal Audit Plan (2020/21 to 2022/23), MNP has been engaged to conduct a review of our resources and succession planning to ensure that Waterfront Toronto is well positioned to successfully deliver on our strategic plan and key initiatives by maintaining the necessary skills, capacity and institutional knowledge.

The timeline for the review is between March and June 2021 and the scope areas of the review will focus on:

- 1) Resource & Succession Planning;
- 2) Retention and Employee Engagement; and
- 3) Diversity, Equity and Inclusion.

The review will assist Waterfront Toronto to effectively identify and proactively manage areas of exposure to help maintain continuity of operations and proactively adapt to changing resourcing needs as required. The results of MNPs Resource and Succession Planning Review will be presented at the September 2021 Finance, Audit & Risk Management (FARM) and Human Resources, Governance and Stakeholder Relations (HRGSR) Committee meetings.

Diversity, Equity & Inclusion (DE&I)

Waterfront Toronto is committed to creating a diverse, equitable and inclusive workforce and culture. Toronto is among the most ethnically diverse cities in the world and if the Corporation is to deliver on its promise to create a "waterfront for everyone" we must identify and remove barriers to the participation of Canada's diverse communities in waterfront revitalization.

A Request for Proposal will be issued in the upcoming weeks to engage an external DE&I consultant to assist our internal Human Resources and Management team to implement a comprehensive DE&I program for the Corporation intended to encourage diversity, promote equity and inclusion and confront racism.

Waterfront Toronto staff, Design Review Panel Members and Board Directors have undertaken Indigenous Cultural Safety Training. The training program was completed in November of last year. As a follow up to that training, we have started the process of engaging with the Provincial Health Services Authority to provide Waterfront Toronto staff, Board Directors and Design Review Panel members *additional training*, in a course called: **From Bystander to Ally**. This is a 5-hour course which builds upon the core training and focuses on learning how to be part of the social change needed to reconcile and reform our relationships with Indigenous people in Canada. My Executive Assistant and I, having completed the Indigenous Cultural Safety Training, have also completed the next stage "From Bystander to Ally".

Highlights of our other efforts include:

- Our Human Resources team has joined a Government Community of Practice (GCOP) and together with other agency members form a round table to discuss and share ideas and information on Diversity, Equity and Inclusion.
- Job postings have been enhanced to reinforce the Corporation's commitment to build a representative workforce and fostering a positive and progressive workforce.
- Research has been gathered on different job posting locations and websites that
 are accessible to Black and Indigenous People of Colour (BIPOC) professionals
 and minority groups to expand the reach of Waterfront Toronto's recruitment efforts
 and ensure job postings are casting a wide net and achieving a diverse pool of
 candidates.
- Enhancements to the recruitment process involving the analysis of policies, practices and systems and gathering data to measure and create targets to aid in reducing employment barriers.
- Research is underway on mandatory training which will be delivered to all staff that
 will focus on fostering an inclusive culture free from discrimination in the workplace,
 unconscious bias, and valuing the diverse perspectives that all employees bring.

To celebrate Black History Month in February the Corporation both developed content (blog and video created in-house) and promoted other waterfront organizations' social media content. The Waterfront Toronto stories created for this year's Black History Month reflects and honours Black history (legacy and connection to the West Don Lands) and profiles the new voices in a video series with the Waterfront Artists in Residence.

Port Lands Flood Protection

The tenth report of the Independent Capital Project Monitor appointed by the FARM Committee of the Board notes that the Port Lands Flood Protection project (PLFP) remains on budget, on schedule and has no material scope changes.

Despite Toronto moving into a lockdown in November, the PLFP project continues uninterrupted. In response to the Provincial COVID-19 health guidelines EllisDon is limiting access to the construction site to Essential Construction workers only and have implemented screening protocols on site. There will be strict limits on site tours and visitors to the site, until further notice.

Waterfront Toronto continues to actively address potential risks with respect to utility relocations to mitigate against the potential for a schedule impact and delay in substantial performance and flood protection.

The City of Toronto approved the Lake Shore Blvd East – Bridge and Public Realm Project (LSBE) funding on December 16, 2020 satisfying one of the conditions of the Capital Approval provided by the Board of Directors on December 10, 2020. Staff are working to satisfy the second condition and continue to negotiate the funding and delivery agreement with the City of Toronto. The project team is now working to complete construction documents and has initiated the tendering process for this \$163M project which is scheduled to commence in September 2021.

As you recall the Cherry Street North Bridge, the first of four, arrived on November 7, 2020 that will connect the new Villiers Island to Toronto, and the revitalized Port Lands.

As the remaining three bridges arrive (Cherry Street North Vehicular Bridge, Cherry Street South and Commissioner Bridge) we will be working on a communications strategy to build on the success of the arrival of the first bridge.

Indigenous Consultation

Waterfront Toronto is committed to ongoing engagement with Indigenous communities and specifically to deepen our relationship with the Mississaugas of the Credit First Nation (MCFN) as the Corporation moves forward with the PLFP and Quayside projects.

We continue discussions with MCFN regarding its potential participation and role in Quayside through joint MCFN/WT working groups that are meeting on a regular basis.

In addition, both MCFN and Waterfront Toronto are keen to advance the idea of locating an Indigenous Centre on the waterfront. The Centre would be of national significance and representative of all First Nations Cultures from coast-to-coast. Programming would be led by First Nations senior leadership with MCFN serving as the Host Nation and convening the discussion. The working group, comprised of staff from both MCFN and WT are currently exploring the vision, features and potential locations on the waterfront. This preliminary work could be further explored in a formal feasibility study that would help to determine the appropriate scope, optimal site and funding requirements for the Centre.

Waterfront Toronto together with a representative from the Mississaugas of the Credit First Nations, selected Matthew Hickey as the Design Review Panel's first Indigenous Design Expert. Matthew is Mohawk from the Six Nations of the Grand River Reserve, a partner at Two Row Architect with 14 years of Indigenous design experience, a sessional instructor at the Ontario College of Art and Design, and a Member of the Board of Artscape Toronto and he attended his first meeting of the DRP January 27, 2021. He is

also the design lead for the indigenous components of Anishnawbe Health Toronto project on Block 10 in the West Don Lands.

Signature Projects

The Fundraising Action Plan sets out the Corporation's fundraising strategy for the Signature Projects and the implementation actions to be taken over the period January 1, 2020 to March 31, 2022. Waterfront Toronto's Rolling Five-Year Strategic Plan includes an annual fundraising activities budget of \$0.9 million (net of WT indirect staff costs of \$0.4 million), comprising third party legal, communications and fundraising consulting advisory, as well as provision for up to three direct fundraising staff.

Since our work to implement the fundraising strategy is focused on building capabilities and developing a campaign plan, we have brought on board lain McMullan, Executive Director of Philanthropy for Waterfront Toronto. Iain is currently meeting with some former and current WT Board members to help inform the go forward strategy. In addition, we have recruited a fundraising coordinator to assist with prospect researching to help build out Waterfront Toronto's donor pipeline.

The Signature Projects include:

- enhancement of the Jack Layton Ferry Terminal;
- creation of a continuous three-kilometre Water's Edge Waterfront Walk;
- creation of a regional Destination Playground as part of the larger Promontory Park; and
- the identification and development of a landmark institution that will define the character of the waterfront.

We continue to advance the design for the Destination Playground and associated pavilion. As part of the design process, we are advancing an accessibility plan, a concession feasibility analysis and have engaged Minokamik, an indigenous collective to implement a process for developing an indigenous placemaking strategy for the playground. In addition, we have been engaged in bi-weekly meetings with a Governance Working Group that includes Waterfront Toronto and Parks, Forestry and Recreation staff from the City of Toronto. Collectively we have been developing an operations and maintenance strategy for the playground.

We continue to advance work on both the City-Waterfront Toronto Fundraising MOU Term Sheet and the WT Gift Acceptance Policy with a view to a City staff report to Council in the June cycle of this year.

We have also begun to explore the concept of establishing a Waterfront Toronto volunteer group to assist the Corporation in organizing activities and raise awareness of waterfront revitalization.

Government Oversight

In 2020, The Intergovernmental Steering Committee (IGSC) directed that a review of Waterfront Toronto's mandate, including Waterfront Toronto's mandate term, be undertaken to determine whether a mandate extension, supported by a new long-term vision for waterfront revitalization, is appropriate. As part of the review KPMG was retained to update the findings of the Waterfront Strategic Review Report undertaken in 2015. To inform their update KPMG has interviewed members of the Waterfront Toronto Senior Management Team as well as the Chair of the Board and Board Committee Chairs in mid-December.

Concurrent with KPMG's work, governments have had several meetings with Waterfront Toronto to address several areas including assessing strengths and weakness of waterfront revitalization delivery, reviewing WT's financial outlook and sustainability, clarifying roles and responsibilities among various waterfront agencies and Waterfront Toronto and determine how WT's current mandate (2028), and beyond if applicable, aligns with WT's existing and proposed scope of work. In addition, government partners are examining how they can improve their coordination to ensure proper support to assist WT in fulfilling its mandate.

It is anticipated that the final report will be completed by KPMG by the end of March. The IGSC will review the final report and recommendations at its April 15th meeting. It is anticipated that there will be a City staff report to Council early this summer.

Sincerely, George Zegarac President and CEO

Corporate Dashboard

Previous 3/12/2020

The Finance, Audit & Risk Management (FARM) Committee met virtually on February 25, 2021. Quorum was achieved with all four members attending the meeting via Microsoft Teams.

There are nine items to report on, all for information:

- 1. FARM Committee 2021 Workplan
- Corporate and Project Reporting Dashboards and Reports
- 3. Internal Audit Plan Update
- External Audit Plan 2020/21
- 5. Port Lands Flood Protection (PLFP) Independent Capital Monitor Report
- 6. Additional Fees to Internal Auditor reported in camera
- 7. Annual Review Risk Appetite Statement reported in camera
- 8. Cyber Security Program and Follow up Audit reported in camera, and
- 9. Project Risks Discussion reported in camera.

Note that Items 6 - 9 above are reported under Agenda Item 10b in the Closed Session.

1. FARM Committee 2021 Workplan

- The FARM Committee approved a Workplan of the key items for review and/or approval at each of its 2021 quarterly scheduled meetings
- The workplan was prepared by Management based on the FARM Committee mandate, and ensures and demonstrates how and when the FARM Committee will fulfill its core responsibilities
- The Committee requested Management consider the responsibility for environmental, social and governance (ESG) matters in the Board Committee mandates.
- It should be noted that this workplan reflects the updated FARM Committee mandate being presented for Board approval under Item 6 at today's meeting.

2. Corporate & Project Reporting Dashboards and Reports

- Management presented a macro dashboard that was divided into three areas:
 - 2020/21 Corporate Plan Performance;
 - Finance & Administration; and
 - Capital Projects.

- All key areas of the Macro Dashboard are green (i.e. no key issues to be aware of), except for the following three items which are yellow or tracking behind plan:
 - One 2020/21 Corporate Plan item (Capital Investment) largely due to deferral of some Port Lands Flood Protection (PLFP) project elements into 2021/22 to address project challenges and still maintain the 2024 completion date; and
 - Two areas of Capital Projects (PLFP project and Complete Communities) which are yellow due to elevated risks and/or budget pressures.
- The Committee is satisfied that Management is handling these areas effectively.
- The macro dashboard is supported by several supplementary reports including:
 - 2020/21 Corporate Plan Performance: other than annual capital investment are noted above, which is expected to achieve 70% of plan (\$277M of \$393M), all other areas namely, key deliverables, revenues and performance targets, are on track to achieve >=80% of plan for 2020/21. WTs 2020/21 corporate operating costs are tracking to be under budget by year end, largely due to lower HR costs.
 - Enterprise Risk Management: no significant concerns, all high inherent risk areas are being adequately managed through mitigation plans; Business Continuity Plan refresh planned in March 2021.
 - <u>Audit</u> no significant concerns, internal audit plan proceeding in accordance with plan. Ontario Auditor General Value-for-Money follow-up audit report issued in Dec 2020, noting 91% implementation rate by WT. Cybersecurity follow-up audit completed Feb 2021 (refer to agenda Item 10b).
 - <u>Liquidity/ Cash Flow Management</u> no significant concerns, positive cash balance > \$50M and no current requirement to borrow; Government borrowing consent of \$40M to March 2023. Further amendment request to term and limit to enhance liquidity tools targeted to be submitted to governments April 2021.
 - Financial reporting compliance no concerns, in line with plan. The Committee received and discussed the December 31, 2020 unaudited, interim financial statements. The Committee requested that Management the consider applicability of climate risk disclosure for future financial statements. Consistent with past practice, Management does not request the Board to approve these as they are unaudited, however directs that they be received; and

- Capital projects dashboards Dashboards were included for the \$1.185 billion PLFP project and the \$66.5 million Bayside External Services project, the latter of which is expected to be \$4.5 million (6.8%) over budget due primarily to constructability issues. The PLFP project remains on budget and on schedule. The contingency balance is approx. \$41.3 million (5% of hard costs) however is expected to increase because of successful negotiations regarding utilities cost sharing. It was noted that the project schedule will be re-baselined to account for the significant amount of schedule resequencing that has taken place to address project challenges while keeping the overall completion date of March 2024 on track. The FARM Committee requested that Management circulate the rebaselined summary schedule to the Committee in advance of the next Committee meeting on May 27, 2021.
- Management also presented reports and answered questions related to procurement exceptions, regulatory compliance, status of the fundraising action plan (with clarification on the 2021/22 budget of \$1.3M for fundraising) and the impacts of COVID-19. Overall, COVID-19 has had a negative financial impact to the Corporation approx. \$2.1M to date, being a combination of increased costs to the PLFP project (\$1.8M), reduced parking revenues from interim property holdings (\$0.7M), offset by savings due to the remote work situation (\$0.4M).
- Waterfront Toronto's new Executive Director, Philanthropy, Iain McMullan was introduced to the Committee.

3. Internal Audit Plan Update

The Committee received an update from the Corporation's internal auditors,

Edward Chalupka, Director of Government Relations provided an update to the Committee on the tri-government strategic review currently underway. The Intergovernmental Steering Committee (IGSC) directed that a review of Waterfront Toronto's mandate, including Waterfront Toronto's mandate term, be undertaken to determine whether a mandate extension, supported by a new long-term vision for waterfront revitalization, is appropriate. As part of the review KPMG was retained to update the findings of the Waterfront Strategic Review Report undertaken in 2015. To inform their update KPMG has interviewed members of the Waterfront Toronto Senior Management Team as well as the Chair of the Board and committees in mid-December.

Concurrent with KPMG's work, governments have undertaken several workshops to address several areas including assessing strengths and weakness of waterfront revitalization delivery, reviewing Waterfront Toronto's (WT) financial outlook and sustainability, clarifying roles and responsibilities among various waterfront agencies and Waterfront Toronto and determine how WT's current mandate (2028), and beyond if applicable, aligns with WT's existing and proposed scope of work. In addition, government partners are examining how they are coordinating with one another to support WT in fulfilling its mandate.

It is anticipated that the final report will be completed by KPMG by the end of March. The IGSC will review the final report and recommendations at its April 15th meeting. It is anticipated that there will be a City staff report to Council early this summer.

Report on Board Governance Review

March 25, 2021

The Corporation has identified 14 key board governance documents to be reviewed or created to ensure that we continue to meet best practices. The documents are as follows:

- 1. By law # 1, (general corporate by law)
- 2. By law # 2 (open meeting law requirements)
- 3. By law # 3 (Board remuneration)
- 4. Board Mandate

- 9. FARM Committee Mandate
- 10. IREC Committee Mandate
- 11. HRGSR Committee Mandate
- 12. Directors Code of Conduct
- 13. Directors Confidentiality Agreement
- 14. Directors Indemnity

With the exception of the Role of the Corporate Secretary and By Law #3, each of the documents were in existence at the time of initial review. However, they have not been thoroughly reviewed or updated for, in some cases, several years. Accordingly, it was determined that the documents should be reviewed at this time. This is also consistent with the recommendations of our internal auditor, MNP LLP, and several directors have requested that the documents be reviewed.

In February 2020, each of the committee chairs were requested to provide their input on the roles and responsibilities of their committees and whether the obligations were appropriate and were manageable within the time available. In addition, members of the Senior Management Team with responsibility for the activities of one or more of the committees have reviewed, and provided comment upon, the committee mandate terms. Internal legal counsel received all the comments, reviewed the applicable documentation from other similarly situated organizations and prepared revised drafts of each of the documents. Our CEO provided his input and the documentation has been reviewed and revised by our external legal advisors from Bennett Jones LLP.

The Role of the Corporate Secretary was approved by the Board in December 2020.

The documents 9 through 14 listed above were recommended by HRGSR for approval and are now being presented to the board for approval. The balance of the documentation will be presented for consideration at a subsequent meeting.

CODE OF CONDUCT FOR THE BOARD OF DIRECTORS OF

TORONTO WATERFRONT REVITALIZATION CORPORATION

TORONTO WATERFRONT REVITALIZATION CORPORATION

Code of Conduct for the Board of Directors

Effective Date: [•], 2021

1. INTRODUCTION

1.1 Who we are

The Government of Canada, the Province of Ontario, and the City of Toronto created the Toronto Waterfront Revitalization Corporation (the "**Corporation**") to revitalize Toronto's waterfront. The key drivers of the waterfront revitalization are reconnecting people with the waterfront, design excellence, sustainable development and to create new economic growth, new jobs, fiscal sustainability, diverse and dynamic new commercial, residential and recreational communities, new cultural institutions and new parks and green spaces for the public.

The Corporation is governed by the *Toronto Waterfront Revitalization Corporation Act 2002* (the "**Act**"). The Corporation is a corporation funded by three levels of government. These government bodies have provided seed capital for a 25-year mandate to transform 800 hectares (2,000 acres) of brownfield lands on Toronto's waterfront into beautiful, accessible, sustainable, mixed-use communities and dynamic public spaces. A strong, expert, and engaged Board of Directors, appointed by the three levels of government, oversees the strategic direction of the Corporation.

1.2 What is a Code of Conduct?

This Code of Conduct (this "Code") is intended to guide Directors as they perform their role as Directors.

This Code is a set of principles, guidelines, and rules that Directors must use to guide their conduct and decision making. This Code establishes responsibilities for Directors to fulfill and processes to help Directors fulfill their responsibilities.

This Code is based on the principles, values, and ethical standards to which the Corporation and Directors are held.

1.3 Application of this Code

This Code applies to every Director at all times. Each Director is responsible for behaving in accordance with this Code, even when the Director is not performing official duties for the Board of Directors. Each Director must comply with this Code whether in a boardroom at the Corporation, at work, at leisure, through use of Social Media or at their personal residences. This responsibility begins when the Director is appointed to the Board of Directors and, in the cases described in

Sections 2.2, 2.3, 3, 4 and 5, continues even after the Director retires from the Board of Directors or otherwise ceases to be a Director.

This Code relates to the Director's Family Members and to Business Associates in the cases described in Sections 2.2 to 2.5, and 2.7.

1.4 Definitions

Certain capitalized terms are defined in Section 8.

1.5 Guiding Principles

The public mandate of the Corporation requires accountability to the public, the preservation of trust and confidence of the public, and that the Corporation acts with efficiency, accountability, economy, fairness, impartiality, and integrity.

In addition to the standards established by this Code, each Director must fulfill the standards of conduct, if any, established by the level of government that appointed the Director to the Board of Directors. This Code supplements, and does not conflict with, the applicable level of government standards of conduct and any terms of appointment.

The specific rules set out in this Code are illustrative and not exhaustive. Directors must strive to comply with the spirit as well as the letter of this Code and must exercise judgement in applying the principles embodied in this Code to any particular situation. If a Director is unsure of how to comply with this policy, the Director should seek guidance from the Chair of the Board or the General Counsel of the Corporation.

1.6 Ethical Decision Making

Directors should consider the following questions as a guide to everyday conduct and decision-making as a Director:

- (a) Is the decision or conduct legal? Is it ethical?
- (b) Is the decision or conduct in line with the Corporation's public mandate, objectives, and policies?
- (c) Is the decision or conduct consistent with the goal of the Corporation to be open, inclusive and accepting, and free from any forms of discrimination, aggression, or other inappropriate or harmful conduct?
- (d) Is there a Conflict of Interest that should be disclosed? If a Director is uncertain whether a Conflict of Interest exists, the Director should report it pursuant to Section 2.9 below.

1.7 Honesty and Integrity

The fundamental relationship between the Directors and the Corporation must be one of trust. The Corporation expects Directors to observe the highest business and ethical standards, including honesty and integrity, freedom from discrimination, harassment, or other harmful

conduct and refraining from engaging in conduct which embarrasses the Corporation or makes the Corporation subject to ridicule.

1.8 Duty to Act in the Best Interests of the Corporation and Duty to Disclose Important Information

Directors must always make decisions honestly and in good faith, act in the best interests of the Corporation and in accordance with their fiduciary obligations, and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. This duty requires that Directors prioritize the interests of the Corporation over the interests of themselves and all other persons and other organizations, including the level of government that appointed the Director to the Board of Directors. Directors' obligations to the Corporation include a duty to disclose information that comes to their knowledge that could reasonably be considered to impact the important interests of the Corporation. The application of these obligations to the facts is often complicated. Directors should feel free to seek guidance, in confidence, from the Chair of the Board or the General Counsel of the Corporation.

1.9 Compliance with Policies of the Corporation

Directors must comply with the policies of the Corporation that apply to them and of which they have been made aware. The Corporation or the Board of Directors may create new policies and update existing policies that are applicable to the Directors. Up to date copies of applicable policies will be provided to the Board of Directors.

If a Director is unsure of how to comply with a policy, the Director should seek guidance from the Chair of the Board or the General Counsel of the Corporation.

1.10 Follow the Law

Directors must always follow the law, including federal, provincial, and municipal law. Directors must not instruct or encourage others to commit an illegal or improper act, especially if the act involves the Corporation in any way. Directors have a responsibility to familiarize themselves with legislation and regulations that apply to their directorship. Directors should seek legal advice where appropriate.

2. CONFLICTS OF INTEREST

2.1 What is a Conflict of Interest?

A Conflict of Interest is a situation where any interest or desire of a Director may compete or appear to compete with the best interests of the Corporation. It is any situation that could appear to improperly influence the decision making of a Director. A conflict situation can arise where a Director, a Director's Family Member or Business Associate (a) has a personal interest that might interfere or appear to interfere with the Corporation's interests or the Director's duty to the Corporation (b) chooses or may appear to have chosen a personal interest over the interests of the Corporation, or (c) takes actions or has interests that may make it difficult or appear to make it difficult to perform her or her work objectively and effectively.

Appearances matter in the context of Conflicts of Interest. The appearance or perception of a Conflict of Interest is a Conflict of Interest situation, even if the Director does not believe that a

real Conflict of Interest exists. If a Director is unsure whether a situation may present a Conflict of Interest, the Director should consult the Ethics Official.

The following is an example of a hypothetical Conflict of Interest. Imagine that the Corporation puts out a request for proposal (RFP) for the supply of a product. Two suppliers respond to the RFP and tender bids. Imagine that both suppliers, their products, and their bids are similar. Except that the bid by one supplier is at a more attractive price for the Corporation, and a Family Member of a Director owns the supplier that tendered the other bid. Here, the Director would have a Conflict of Interest between promoting the best interests of the Corporation, on the one hand, and supporting the Family Member-owned supplier, on the other hand.

There are many types of interests of Directors that may create Conflict of Interest situations, including business interests, personal relationships, and others. But all Conflicts of Interest have the potential to undermine the performance by the Director of their duty to make decisions and act in the best interests of the Corporation, and to embarrass and undermine the Corporation.

Section 2.2 to 2.8 are examples of Conflict of Interest situations. Directors must report all Conflict of Interest situations to the Ethics Official, even if the situations are not specifically addressed in or prohibited by these examples or this Code. Directors should use their judgement and the principles and guidelines set out in this Code to identify Conflict of Interest situations that are not specifically addressed in or prohibited by this Code.

2.2 Procurement

Procurement is the process by which the Corporation purchases, licenses, or obtains goods, products, services, and anything else. It is essential that all Directors and suppliers who have procurement-related Conflicts of Interest report the Conflicts of Interest to the Ethics Official in accordance with Section 2.9.

In addition, the Corporation maintains a standalone Procurement Policy in respect of procurement. Directors should read and understand this policy, which is available on the Procurement section of the Corporation website. In particular, Directors should not have unauthorized contact with any proponent seeking to work with the Corporation in respect of that work or be subject to any lobbying efforts in respect of it.

Where a Director, Family Member or Business Associate has a relationship with or interest in a supplier that may be a Conflict of Interest, the supplier may tender bids to the Corporation *ONLY* if:

- (a) the Director reports the Conflict of Interest to the Ethics Official pursuant to Section 2.9:
- (b) the supplier reports the Conflict of Interest to the Procurement Manager pursuant to the Procurement Policy;
- (c) the Director absents themselves from discussions about and voting on behalf of the Corporation on matter(s) related to the Conflict of Interest; and
- (d) the Director and Supplier comply with all requirements and conditions as instructed by the Ethics Official pursuant to Section 2.11 and/or the Procurement Policy, as applicable.

2.3 Personal Financial Transactions

Directors must protect the confidentiality of Confidential Information and must not take advantage of the fact that they have, or have access to, Confidential Information. For example, Directors must not use Confidential Information to achieve a financial advantage for themselves personally, a Family Member, a Business Associate, or any other person. Directors may only use Confidential Information in the best interests of the Corporation.

Misuse of Confidential Information may, in some circumstances, also represent a breach of securities laws relating to trading or tipping and may expose a Director to serious legal consequences.

2.4 Gifts

The receipt, directly or indirectly, of Gifts by Directors, Family Members, or Business Associates from other parties has risks including the following. It could breach the policy of the Corporation that all suppliers of goods or services are to have access to the Corporation on equal terms. It could generate a Conflict of Interest situation. To protect against these and other potential risks, Directors:

- (a) must <u>not</u> solicit Gifts in connection with their position as Directors or their association with the Corporation;
- (b) must <u>not</u> accept or receive Gifts as a condition of or inducement to the Corporation doing business with any person, organization, or business;
- (c) must <u>not</u> accept or receive Gifts as an inducement for performing an act associated with the position of Director or in exchange for preferential treatment;
- (d) <u>may</u> accept a Gift, hospitality or entertainment in connection with the official duties of Directors *ONLY* if the Gift, hospitality, or entertainment satisfies all of the following conditions. The Gift, hospitality, or entertainment must:
 - (i) be within the bounds of propriety, normal expression of courtesy, or the normal standards of hospitality;
 - (ii) have a value not exceeding C\$100;
 - (iii) not bring suspicion on the objectivity and impartiality of the Directors;
 - (iv) not compromise the integrity or reputation of the Corporation, or the Directors;
 - (v) not generate a Conflict of Interest situation; and
 - (vi) not be associated with preferential access of any person, business, or organization to the Corporation.

If a Director, Family Member, or Business Associate receives a Gift that would cause the Director to be in breach of any of the above, the Gift must be returned to the donor.

Directors must <u>not</u> directly or indirectly give, offer or agree to give or offer to anyone, including an official or employee of the Government of Canada, the Province of Ontario, or the City of Toronto (or knowingly to any Family Member or Business Associate of the official or employee) a Gift as consideration for cooperation, assistance, exercise of influence or an act or omission in connection with any Corporation business or transaction.

2.5 Employment of Family Members and Business Associates

The employment of a Director's Family Members or Business Associates by the Corporation has risks including the following. It could be perceived as favoritism in hiring or suggest that job applicants do not have equal access to opportunities at the Corporation. It could generate a Conflict of Interest situation. To protect against this and other potential risks, Directors:

- (a) must <u>not</u> participate in the selection process where a Family Member or Business Associate is an applicant;
- (b) must not request that a Family Member or Business Associate be hired or retained;
- (c) must <u>not</u> request that a current or potential supplier of goods or services to the Corporation hire or retain a Family Member or Business Associate, make the business of the Corporation with the supplier conditional on the hiring or retainer, or use the business of the Corporation to induce the supplier to hire or retain a Family Member or Business Associate.

The Corporation will not hire or retain (including as interns or co-op students; whether paid or unpaid) a Family Member or Business Associate of a Director, unless the potential hiring or retainer is reported to and approved by the Ethics Official, and carried out in accordance with all instructions of the Ethics Official, pursuant to Section 2.11.

2.6 No Misuse of Status as Director

Directors must not use their status, title, or position as Directors to obtain a Gift or to solicit funds, goods, or services, for themselves personally or for any person, business, or organization, from the Corporation staff of from those contracting or otherwise involved with the Corporation. However, this provision is not intended to otherwise restrict the solicitation of funds, goods, or services from parties in the normal course and in a manner unrelated to and without any influence or benefit from the Director's association with the Corporation.

This means that no Director should use the fact of being a Director as leverage to achieve any benefit for themselves or others, other than for the Corporation.

2.7 Purchasing Condominium Units or Real Estate within the Designated Waterfront Area

Directors and their Family Members must not lease or purchase, or negotiate for the lease or purchase of, any interest in or deriving from real estate that is located in or adjacent to the Designated Waterfront Area, unless they (i) first report the same to the Ethics Official, and (ii) are granted prior written permission to do so by the Ethics Official.

For certainty, a Conflict of Interest exists if any Director, Family Member or Business Associate will benefit from any delivery incentives such as "early bird" pricing, other discounts, or preferential positioning on sale prospects lists that are not then generally available to the public.

Directors are also required to disclose to the Board of Directors the proposed acquisition, holding or disposition of any interest in real estate that is within or adjacent to the Designated Waterfront Area, by themselves, their Family Members and Business Associates.

2.8 Use of the Corporation's Assets

Directors must not use or permit others to use any property or assets of the Corporation, including but not limited to Intellectual Property, except for the benefit of the Corporation. Directors must not take or permit others to take any property or assets from the premises of the Corporation, unless the Corporation has authorized them to do so.

2.9 Reporting of Conflicts of Interest

Individuals are often appointed as Directors because they have experience that is relevant to the business of the Corporation, and it is often because of their experience that Directors may find themselves in a Conflict of Interest situation.

Directors must declare and report all Conflicts of Interest:

- (a) When they become Directors Each Director must immediately report all Conflicts of Interest to the Ethics Official prior to or at the beginning of their term as Director by signing and delivering a Declaration to the Ethics Official. See Section 7.5 for more on Declarations;
- (b) At the beginning of every calendar year Each Director must report all Conflicts of Interest to the Ethics Official at the beginning of every calendar year by signing and delivering a Declaration to the Ethics Official, whether or not the Conflicts of Interest have been reported previously. See Section 7.5 for more on Declarations;
- (c) At the beginning of every Meeting Each Director must immediately report all Conflicts of Interest arising out of the agenda of a Meeting to the Board of Directors or Committee members at the beginning of every Meeting as applicable (see Section 2.11 for more on reporting Conflicts of Interest at the beginning of Meetings); and

2.10 Meeting Procedures

Each Director or Committee member must report all of their Conflicts of Interest arising out of a Meeting agenda as soon as the Conflict of Interest is apparent, and in any case at the beginning of every Meeting to the Board of Directors or the Committee, as applicable.

After reporting the Conflict of Interest to the Board of Directors or Committee, as applicable, unless the Ethics Official has granted a Waiver in respect of the Conflict of Interest and subject to any

conditions the Ethics Official has imposed, the Director or Committee member involved with the Conflict of Interest must:

- (a) absent themself from discussions at the Meeting about, and voting on, any matter relating to their Conflict of Interest, but may participate in the rest of the Meeting and vote on matters that are unrelated to the Conflict of Interest; and
- (b) not be counted for the purposes of determining a quorum for that portion of a Meeting involving deliberations and resolutions on the subject matter of the Conflict of Interest.

However, if the subject matter of the Conflict of Interest is the indemnity of the Director, the insurance available to the Director or the remuneration of the Director, the Director may participate fully in the deliberation and voting, and will be counted for purposes of determining quorum. These are specific exceptions to Conflict of Interest rules that are made in the legislation governing the Corporation and in its best interests.

2.11 Resolution of Conflicts of Interest

The Ethics Official will investigate and resolve all Conflicts of Interest. The Ethics Official may resolve Conflicts of Interest by:

- (a) determining that there is no actual Conflict of Interest in accordance Section 7.4;

- (c) permitting the Director involved with the Conflict of Interest to participate in the situation subject to restrictions or conditions that the Ethics Official considers appropriate in the circumstances:
- (d) Waiving the Conflict of Interest if appropriate and in accordance with Section 7.4; and/or
- (e) taking any action that the Ethics Official determines will promote the public mandate and best interests of the Corporation.

If a Conflict of Interest relates to procurement of the Corporation, also refer to Section 2.2 above.

2.12 Conflicts Register

The General Counsel will maintain a written Conflicts Register, that may include: (i) Declarations, (ii) information about all reported breaches of this Code, including reports made pursuant to Section 2.9, the parties involved, and how the breaches were resolved, including whether Waivers were granted and any prohibitions, sanctions, conditions, and restrictions were imposed, and (iii) other information as the General Counsel may determine.

The Ethics Official will disclose information regarding all Conflicts of Interest to the General Counsel. The General Counsel will provide a report on the Conflicts Register to the Governance Committee at least once in each calendar quarter.

When Directors participate in the communities and undertake speaking engagements and other activities, they must take steps to clarify that they are doing so in their personal capacity and that their participation does not involve, nor is on behalf of, the Corporation.

7. ADMINISTRATION

7.1 Where to go for help

Directors are encouraged to seek guidance from the Ethics Official if they are unsure whether their conduct breaches this Code.

7.2 Breach of this Code

Compliance with this Code is a key requirement of being a Director. A Director is in breach of this Code when the conduct of the Director fails to comply with any aspect of this Code. A Director is also in breach of this Code if the Director otherwise acts dishonestly or unethically or engages in discrimination or harassment or other conduct that embarrasses the Corporation or makes it subject to ridicule even if the action taken is not specifically addressed in this Code.

A breach of this Code could result in a Director being disciplined, dismissed from the Board of Directors, subject to legal action, and/or receiving negative publicity. The Corporation may, in some instances, be obligated to report a breach of this Code to regulators or law-enforcement authorities.

7.3 Duty to Report Breaches of this Code

Each Director must report all breaches of this Code to the Ethics Official, including all breaches by the Director or by other Directors.

7.4 Relief or Waiver

This Code is not intended to be applied mechanically. There may be limited cases where conduct breaches this Code but a Waiver of the duty to comply with this Code is appropriate to promote the best interests of the Corporation. An example is when a Director has a Conflict of Interest due to the Director owning a minor and passive interest in a supplier of the Corporation, and no other supplier can serve the interests of the Corporation as well as that one.

The Ethics Official is responsible for determining whether a potential breach of the Code (a "Potential Breach") should be Waived and, if so, any conditions that the parties involved and/or others must fulfill.

Continuing with the example above, the Ethics Official may grant a Waiver of the Conflict of Interest involving the Director and the supplier. The supplier may then be permitted to supply the Corporation, but only if the Director and the supplier comply with the conditions that the Ethics Official has imposed.

The Ethics Official must consider the following factors when determining whether to grant a Waiver of a Potential Breach, and, if so, any conditions that must be fulfilled:

- (a) how to promote the best interests of the Corporation;
- (b) how to fulfill the public mandate of the Corporation;
- (c) how to ensure that the Corporation is accountable to the public;
- (d) how to comply with the law and act ethically;
- (e) fairness, both in fact and appearance;
- (f) risk to the reputation of the Corporation;
- (g) the skills, experience, materials, and expertise of the parties involved;
- (h) the proximity between the Director, Family Member or Business Associate and the circumstances that give rise to the Potential Breach;
- (i) whether the involvement of the Director, Family Member or Business Associate with the circumstances that raise the Potential Breach is active or passive;
- (j) the likelihood that the Potential Breach may result in the existence or exercise of improper influence;
- (k) the monetary or other value associated with the Potential Breach;
- (I) whether procedural mechanisms may resolve the Potential Breach; and

(m) any other matter which the Ethics Official may consider appropriate in the circumstances.

There may also be cases where a Director discloses what looks to them to be a Potential Breach, but which the Ethics Official determines to not actually be a breach. In these cases, there is no breach to Waive, and no further action will be required.

7.5 Declaration of Compliance with Code

At the beginning of the term of the Directorship of each Director and at the beginning of every subsequent year, each Director must acknowledge and declare that they have read and understand this Code, and will fully comply with this Code at all times, by completing, signing and delivering the Declaration to the Ethics Official. The current form of the Declaration is attached as Appendix A to this Code.

Please also refer to Section 2.9 for rules on the ongoing reporting of Conflicts of Interest.

OF

TORONTO WATERFRONT REVITALIZATION CORPORATION

Director and Officer Indemnification Agreement

THIS	INDEMNIFICATION	N AGREEME	ENT (the "A	Agreem	ent") is made	e as of this	day of
		, 20	_ between	Toront	o Wa	aterfront	Revitalization	n Corporation
(the	"Corporation"), a	corporation	continued	under	the	Toronto	Waterfront	Revitalization
Corp	oration Act, 2002 an	d				(the " I	ndemnified	Party").

RECITALS:

- A. The Board of Directors of the Corporation (the "**Board**") has determined that the Corporation should act to assure the Indemnified Party of reasonable protection through indemnification and insurance coverage against certain risks arising out of service to, and activities on behalf of, the Corporation to the extent permitted by law.
- B. The Corporation is permitted to indemnify its directors and officers to the extent permitted herein. The Corporation considers it desirable and in the best interests of the Corporation to attract and retain the services of highly qualified individuals such as the Indemnified Party to serve as a director, officer and/or employee of the Corporation and to therefore enter into this Agreement to set out the circumstances and manner in which the Indemnified Party may be indemnified in respect of certain liabilities or expenses which the Indemnified Party may incur as a result of acting as a director or officer of the Corporation.
- C. The Indemnified Party has agreed to serve or to continue to serve as a director, officer or employee of the Corporation subject to the Corporation providing the Indemnified Party with, as applicable, directors' or officers' liability insurance and an indemnity against certain liabilities and, in order to induce the Indemnified Party to serve and to continue to so serve as a director, officer or employee of the Corporation, the Corporation has agreed to provide the indemnity in this Agreement.

NOW THEREFORE the parties agree as follows:

- 1. <u>Indemnification</u>. The Corporation will, subject to Section 2, indemnify and save harmless the Indemnified Party and the heirs, beneficiaries, affiliates and legal representatives of the Indemnified Party to the fullest extent permitted by applicable law:
- 1.1 from and against all Losses (as defined below) sustained or incurred by the Indemnified Party in respect of any civil, criminal, administrative, investigative or other Proceeding (as defined below) to which the Indemnified Party is involved in by reason of being or having been a director, officer or employee of the Corporation; and
- 1.2 from and against all Losses sustained or incurred by the Indemnified Party as a result of serving as a director, officer or employee of the Corporation in respect of any act, matter, deed or thing whatsoever made, done, committed, permitted, omitted or acquiesced in by the Indemnified Party as a director, officer or employee of the Corporation, whether before or after the effective date of this Agreement and whether or not related to a Proceeding.
- "Expenses" means all expenses, costs, charges, professional fees and retainers and other expenses of whatever nature or kind, provided that any such costs, charges, professional fees and other expenses are reasonable.

"Losses" means all Expenses, damages, liabilities, interest, judgments, fines, penalties, statutory obligations (including taxes) and settlements.

"Final Judgment or Award" means a final judgment of an applicable court or final arbitration award of an applicable arbitration proceeding that has become non-appealable. For certainty, a final judgment of an applicable court or final arbitration award of an applicable arbitration proceeding becomes non-appealable for the purposes of this Agreement if it is not appealed by the parties to this Agreement within the prescribed time period for appeal.

"Proceeding" includes a claim, action, demand, suit, proceeding, inquiry, hearing, discovery, alternative dispute resolution mechanism, or investigation, of whatever nature or kind, whether threatened, reasonably anticipated, pending, commenced, continuing or completed, whether brought under federal, provincial, territorial, foreign or other law, and any appeal, and whether or not brought by the Corporation.

2. Entitlement to Indemnification

- 2.1 The rights provided to an Indemnified Party hereunder will, subject to applicable law, apply without reduction to an Indemnified Party provided that: (a) the Indemnified Party acted honestly and in good faith with a view to the best interests of the Corporation or other entity described in Section 2.3; (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the Indemnified Party had reasonable grounds for believing that his or her conduct was lawful; and (c) in the case of claims by the Corporation for the repayment by the Indemnified Party or recovery by the Corporation of bonuses or other compensation received by the Indemnified Party from the Corporation, (i) the Indemnified Party did not violate applicable laws related to repayment by the Indemnified Party and recovery by the Corporation of bonuses or other compensation ("Compensation Laws") and (ii) there are no grounds upon which the Corporation is entitled, in accordance with any applicable employment and compensation policies, agreements and arrangements ("Compensation Arrangements"), to effect repayment or recovery of bonuses or other compensation received by the Indemnified Party from the Corporation.
- 2.2 Subject to Section 2.1, this indemnity will not apply to (a) claims initiated by the Indemnified Party against the Corporation or any subsidiary, except for claims relating to the enforcement of this Agreement; and (b) claims initiated by the Indemnified Party against any other person or entity (except by way of defence in the case of claims against the Corporation or its officers, directors and employees) unless the Corporation or other entity described in Section 2.3 has joined with the Indemnified Party in or consented to the initiation of that Proceeding.
- 2.3 The indemnities in this Agreement also apply to the Indemnified Party in respect of his or her service at the Corporation's request as (a) an officer, director or employee of another corporation or (b) a similar role with another entity, including a partnership, trust, employee benefit plan, joint venture or other unincorporated entity. For the avoidance of doubt, the indemnities in this Agreement also apply to an Indemnified Party in respect of his or her service at the Corporation's request as an officer, director or employee of, or a similar role with, any subsidiary of the Corporation, and to the Indemnified Party's Expenses relating to recovery under any Policy (as defined below).
- 2.4 If prior court approval is required under applicable law in connection with any indemnification obligations of the Corporation under this Agreement, including but not limited to any claim for Expense Advances (as defined below), the Corporation will promptly seek at its sole

expense and use all reasonable efforts to obtain that approval as soon as reasonably possible in the circumstances. The Corporation will also pay the Expenses of the Indemnified Party, to the extent permitted by applicable law, in connection with any such approval process. The obligations of the Corporation under this Section 2.4 will apply, subject to applicable law, even if the position of the Corporation on the substantive right to indemnification is or may be that the Indemnified Party is not entitled to same.

- 2.5 If the Corporation proposes to deny all or part of any claim for indemnification hereunder, including but not limited to any claim for Losses or Expense Advances, by the Indemnified Party on the basis that (a) the conditions of Section 2 (other than Section 2.2) are not met, or (b) the amount for which indemnification is being sought is not reasonable, and payment of such claim does not require prior court approval under applicable law, the Corporation will:
 - (i) promptly pay the indemnified amount claimed or, if the dispute concerns the reasonableness of the claim, pay the amount the Corporation, acting reasonably, believes to be reasonable in the circumstances, as if the Indemnified Party is entitled to indemnification hereunder, and
 - (ii) bring the matter before an arbitrator in accordance with Section 12 or, if required, a court of competent jurisdiction, at its own expense and use all reasonable efforts to obtain a Final Judgment or Award determining the question of entitlement to indemnification or the reasonableness of the claim, as the case may be, as soon as reasonably possible in the circumstances.

For certainty, the Corporation will continue to indemnify the Indemnified Party until a Final Judgment or Award on the Indemnified Party's entitlement to be indemnified or the reasonableness of the claim has been obtained.

2.6 The Indemnified Party will repay any amount paid hereunder if it is determined in a Final Judgment or Award that the conditions of Section 2 are not met, or the amount for which indemnification is being sought is not reasonable, and the amount must be repaid. Any amount to be repaid in accordance with the foregoing will bear interest from the date of advancement by the Corporation at the prime rate prescribed from time to time by the Canadian Imperial Bank of Commerce.

3. **Presumptions/Knowledge**

- 3.1 For purposes of any determination hereunder the Indemnified Party will be deemed to have acted honestly, in good faith, in the best interests of the Corporation, with reasonable grounds for believing his or her conduct was lawful and in accordance with Compensation Laws and Compensation Arrangements, and indemnification of the Indemnified Party under this Agreement will be deemed to be permissible under applicable law, unless and until a Final Judgment or Award has been rendered to the contrary. The Corporation will have the burden of establishing the absence of honesty, good faith, failure to act in its best interests, lack of reasonable grounds for lawful conduct belief, or violation of Compensation Laws or Compensation Arrangements, or that indemnification is not permissible under applicable law, as the case may be.
- 3.2 The knowledge or actions, or failure to act, of any other director, officer, agent or employee of the Corporation or any other entity will not be imputed to the Indemnified Party for purposes of determining the right to indemnification under this Agreement.

- 3.3 The Corporation will have the burden of establishing that any Expense it wishes to challenge is not reasonable.
- 4. <u>Notice by Indemnified Party</u>. As soon as is practicable, upon the Indemnified Party becoming aware of any Proceeding which may give rise to indemnification under this Agreement other than a Proceeding commenced by the Corporation, the Indemnified Party will give written notice to the Corporation. Failure to give notice in a timely fashion will not disentitle the Indemnified Party to indemnification, except and only to the extent that the Corporation demonstrates that the failure materially prejudiced the Corporation's substantive rights or defences in the Proceeding. Upon receipt of such notice, the Corporation will give prompt notice of the Proceeding to any applicable insurer from whom the Corporation has purchased insurance that may provide coverage to the Corporation or Indemnified Party in respect of the Proceeding.
- 5. <u>Investigation by Corporation</u>. The Corporation may conduct any investigation it considers appropriate of any Proceeding of which it receives notice under Section 4, and will pay all costs of that investigation. Upon receipt of reasonable notice from the Corporation, the Indemnified Party will, acting reasonably, cooperate fully with the investigation provided that the Indemnified Party will not be required to provide assistance that would prejudice: (a) his or her defence; (b) his or her ability to fulfill his or her business obligations; (c) his or her business or personal affairs or (d) the preservation of solicitor-client privilege or litigation privilege. The Indemnified Party will, for the period of time that he or she cooperates with the Corporation with respect to an investigation, be compensated by the Corporation in an amount per day (or pro rated in the case of a partial day) equal to \$1000, plus out-of-pocket Expenses actually incurred by or on behalf of the Indemnified Party in connection therewith, provided that the Indemnified Party will not be entitled to the per diem if he or she is a full time employee of the Corporation on such day.
- 6. Payment for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the extent that the Indemnified Party is, by reason of the fact that the Indemnified Party is or was a director, officer or employee of the Corporation or another entity, or acting in a capacity similar to a director, officer or employee of another entity, at the Corporation's request, a witness or participant other than as a named party in a Proceeding, the Corporation will pay to the Indemnified Party all out-of-pocket Expenses actually and reasonably incurred by or on behalf of the Indemnified Party in connection therewith. The Indemnified Party will also be compensated by the Corporation at the rate of \$1000 per day (or partial day, on a pro rated basis), provided that the Indemnified Party will not be entitled to the per diem in respect of any day on which he or she is a full-time employee of the Corporation.
- 7. **Expense Advances.** Subject to Section 2, the Corporation will, upon request by the Indemnified Party, make advances ("**Expense Advances**") to the Indemnified Party of all Expenses for which the Indemnified Party seeks indemnification under this Agreement before the final disposition of the relevant Proceeding. Expense Advances may include anticipated Expenses. In connection with such requests, the Indemnified Party will provide the Corporation with a written affirmation of the Indemnified Party's good faith belief that the Indemnified Party is entitled to indemnification in accordance with this Agreement, along with sufficient particulars of the Expenses to be covered by the proposed Expense Advance to enable the Corporation to make an assessment of its reasonableness (but without prejudicing any of his or her solicitor-client privilege or litigation privilege). The Indemnified Party's entitlement to such Expense Advance will include those Expenses incurred in connection with any Proceeding by the Indemnified Party against the Corporation seeking an adjudication or award pursuant to this Agreement. The Corporation will make payment to the Indemnified Party within 10 days after the

Corporation has received the foregoing information from the Indemnified Party. All Expense Advances for which indemnification is sought must relate to Expenses anticipated within a reasonable time of the request.

The Indemnified Party will repay to the Corporation all Expense Advances not actually required and will repay all Expense Advances if it is determined in a Final Judgment or Award that the conditions of Section 2 are not met. If requested by the Corporation, the Indemnified Party will provide a written undertaking to the Corporation confirming the Indemnified Party's obligations under the preceding sentence as a condition to receiving an Expense Advance. The Indemnified Party will not be required to provide evidence of his or her ability to repay any Expense Advance or give security for his or her obligation to repay any Expense Advance.

- 8. <u>Indemnification Payments</u>. Subject to Section 2 and with the exception of Expense Advances which are governed by Section 7, the Corporation will pay to the Indemnified Party any amounts to which the Indemnified Party is entitled hereunder promptly upon the Indemnified Party providing the Corporation with reasonable details of the claim (but without prejudicing any of his or her solicitor-client privilege or litigation privilege). If the Indemnified Party is determined to be entitled under any provisions of this Agreement to indemnification by the Corporation for some or a portion of the Losses incurred in respect of any Proceeding but not for the total amount thereof, the Corporation will nevertheless indemnify the Indemnified Party for the portion thereof to which the Indemnified Party is determined by Final Judgment or Award to be so entitled.
- 9. Right to Independent Legal Counsel. If the Indemnified Party is named as a party or a witness to any Proceeding, or the Indemnified Party is questioned, or any of his or her actions, omissions or activities are in any way investigated, reviewed or examined in connection with or in anticipation of any actual or potential Proceeding, the Indemnified Party will be entitled to retain independent legal counsel of the Indemnified Party's choosing at the Corporation's expense to act on the Indemnified Party's behalf to provide an initial assessment to the Indemnified Party of the appropriate course of action for the Indemnified Party. The Indemnified Party will be entitled to continued representation by independent counsel at the Corporation's expense beyond the initial assessment unless the parties agree that there is no conflict of interest between the Corporation and the Indemnified Party that necessitates independent representation.
- 10. **Settlement.** The parties will act reasonably in pursuing the settlement of any Proceeding. The Corporation may not negotiate or effect a settlement of claims against the Indemnified Party without the consent of the Indemnified Party, acting reasonably; provided that if the Indemnified Party does not consent to a settlement of claims against the Indemnified Party, the Corporation may nonetheless effect the settlement without the consent of the Indemnified Party, and on behalf of the Indemnified Party, if the settlement is expressly stated to impose no liability on the Indemnified Party and to be without any admission of liability or wrongdoing by the Indemnified Party, and fully and finally releases the Indemnified Party from any liability in connection therewith. The Indemnified Party may not negotiate or effect a settlement of any Proceeding against the Indemnified Party independently of the Corporation, unless the Corporation has delivered written notice to the Indemnified Party stating that the Corporation will not indemnify the Indemnified Party in respect of the Proceeding under this Agreement.
- 11. <u>Directors' & Officers' Insurance</u>. The Corporation will ensure that its liabilities under this Agreement, and the potential Losses of the Indemnified Party that are subject to indemnification by the Corporation pursuant to this Agreement, are at all times supported by a directors' and officers' liability insurance policy or insurance program (collectively, the "Policy") that (a) has been approved by the Board, and (b) treats current and former directors equally and

current and former officers equally (and if the Indemnified Party is an independent director, that treats the Indemnified Party equally as the most favourably insured of the Corporation's independent directors). Without limiting the Corporation's obligations to indemnify the Indemnified Party under this Agreement, the Indemnified Party acknowledges that the Policy may contain certain limits and exclusions that could result in the directors and officers covered by the Policy not having sufficient coverage. As may be required by the Policy, the Corporation will immediately notify the Policy's insurers of any occurrences or situations that could potentially trigger a claim under the Policy and will promptly advise the Indemnified Party that the insurers have been notified of the potential claim. If the Corporation is sold or enters into any business combination or other transaction as a result of which the Policy is terminated and the Indemnified Party resigns or ceases to continue as an officer or director of the continuing entity, the Corporation will cause run off "tail" insurance to be purchased for the benefit of the Indemnified Party with substantially the same coverage for the balance of the 6-year term set out in Section 24 without any gap in coverage. The Corporation will provide to the Indemnified Party a copy of each Policy providing the coverages contemplated by this Section promptly after coverage is obtained, and evidence of each annual renewal thereof, and will promptly notify the Indemnified Party if the insurer cancels, makes material changes to coverage or refuses to renew coverage (or any part of the coverage).

- 12. Arbitration. Except as otherwise required by applicable law, all disputes, disagreements, controversies or claims arising out of or relating to this Agreement, including, without limitation, with respect to its formation, execution, validity, application, interpretation, performance, breach, termination or enforcement will be determined by arbitration before a single arbitrator under the *Arbitration Act, 1991* (Ontario). The arbitrator will be selected by **BDO Canada LLP** having regard to the nature of the dispute (legal, financial or other). If **BDO Canada LLP** is unable or unwilling to determine the arbitrator, each of the Corporation and the Indemnified Party will propose one arbitrator, the two arbitrators will propose a third, and the arbitration will be conducted by the arbitrators so chosen. If the two arbitrators are unable to determine a third arbitrator, either party may apply to a court of competent jurisdiction for an order appointing a third arbitrator. The arbitrator will determine the rules for the arbitration, including, based on the outcome of the arbitration, the breakdown between the Corporation and the Indemnified Party of the costs for conducting the arbitration.
- 13. <u>Tax Adjustment</u>. Should any payment made pursuant to this Agreement, including the payment of insurance premiums or any payment made by an insurer under an insurance policy, be deemed to constitute a taxable benefit or otherwise be or become subject to any tax or levy, then the Corporation will pay any amount necessary to ensure that the amount received by or on behalf of the Indemnified Party, after the payment of or withholding for tax, fully reimburses the Indemnified Party for the actual cost, expense or liability incurred by or on behalf of the Indemnified Party. However, the adjustment will not be made with respect to any compensation paid as a per diem to the Indemnified Party pursuant to Sections 5 or 6.
- 14. <u>Cost of Living Adjustment</u>. The per diem payable pursuant to Sections 5 and 6 will be adjusted to reflect changes from the date of this Agreement in the All-items Cost of Living Index for the city of Toronto prepared by Statistics Canada or any successor index or government agency.
- 15. <u>Multiple Proceedings</u>. No action or proceeding brought or instituted under this Agreement and no recovery pursuant thereto shall be a bar or defence to any further action or proceeding which may be brought under this Agreement.

- 16. **Governing Law.** This Agreement will be governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.
- 17. **Priority and Term.** This Agreement will supersede any previous agreement between the Corporation and the Indemnified Party dealing with this subject matter, and will be deemed to be effective as of the date that is the earlier of (a) the date on which the Indemnified Party first became a director, officer or employee of the Corporation; or (b) the date on which the Indemnified Party first served, at the Corporation's request, as a director, officer or employee, or an individual acting in a capacity similar to a director, officer or employee, of another entity.
- 18. **Severability.** If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other conditions and provisions of this Agreement will nevertheless remain in full force and effect so long as the economic or legal substance of this Agreement is not affected in any manner materially adverse to the Indemnified Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the provisions of this Agreement are fulfilled to the fullest extent possible.
- 19. <u>Amendments.</u> No amendment, supplement, modification or waiver or termination of this Agreement and, unless otherwise specified, no consent or approval by any party hereto, is binding unless executed in writing by the party to be so bound. For greater certainty, the rights of the Indemnified Party under this Agreement will not be prejudiced or impaired by permitting or consenting to any assignment in bankruptcy, receivership, insolvency or any other creditor's proceedings of or against the Corporation or by the winding-up or dissolution of the Corporation, and the liability of the Corporation under this Agreement shall not be affected, discharged, impaired, mitigated or released by reason of the discharge or release of the Indemnified Party in any receivership, insolvency or any other creditor's proceedings of or against the Corporation.
- 20. <u>Binding Effect; Successors and Assigns</u>. This Agreement will bind and enure to the benefit of the successors, heirs, executors, personal and legal representatives and permitted assigns of the parties hereto, including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Corporation. The Corporation will require and cause any successor (whether direct or indirect, and whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation, by written agreement in form and substance reasonably satisfactory to the Indemnified Party, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Corporation would be required to perform if no such succession had taken place. Subject to the requirements of this Section 20, this Agreement may be assigned by the Corporation to any successor (whether direct or indirect, and whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation provided that no assignment will relieve the assignor of its obligations hereunder. This Agreement may not be assigned by the Indemnified Party.
- 21. **Continuance.** The Corporation will give to the Indemnified Party 20 days' notice of any application by the Corporation for a certificate of continuance or the equivalent thereof in any jurisdiction, indicating the jurisdiction in which it is proposed that the Corporation will be continued and the proposed date of continuance. Upon receipt of such notice, the Indemnified Party may require the Corporation to agree to such amendments to this Agreement as the Indemnified Party, acting reasonably, considers necessary or desirable in order to provide the Indemnified Party with a comprehensive indemnity under the laws of the proposed jurisdiction of continuance.

- 22. **Covenant.** The Corporation hereby covenants and agrees that it will not take any action, including, without limitation, the enacting, amending or repealing of any by-law, which would in any manner adversely affect or prevent the Corporation's ability to perform its obligations under this Agreement.
- 23. Parties to Provide Information and Cooperate. The Corporation and the Indemnified Party will from time to time provide such information and cooperate with the other as the other may reasonably request in respect of all matters under the Agreement.
- 24. <u>Survival</u>. The obligations of the Corporation under this Agreement, other than Section 11, will continue until the later of (a) the longest period contemplated by any applicable statute of limitations after the Indemnified Party ceases to be a director, officer or employee of the Corporation or any other entity in which he or she serves in a similar capacity at the request of the Corporation and (b) with respect to any Proceeding commenced prior to the expiration of the period referred to in subsection (a) with respect to which the Indemnified Party is entitled to claim indemnification hereunder, one year after the final termination of that Proceeding. The obligations of the Corporation under Section 11 of this Agreement will continue for 6 years after the Indemnified Party ceases to be a director, officer or employee of the Corporation or any other entity in which he or she serves in a similar capacity at the request of the Corporation.
- 25. <u>Independent Legal Advice</u>. The Indemnified Party acknowledges that the Indemnified Party has been advised to obtain independent legal advice with respect to entering into this Agreement that the Indemnified Party has had sufficient opportunity to obtain such independent legal advice, and that the Indemnified Party is entering into this Agreement with full knowledge of the contents hereof, of the Indemnified Party's own free will and with full capacity and authority to do so.
- 26. **Execution and Delivery.** This Agreement may be executed by the parties in counterparts and may be executed and delivered by facsimile or other electronic communication and all such counterparts and facsimiles or other electronic documents together will constitute one and the same agreement.

	 LinkedIn: 3 posts, 19,716 impressions, 7% engagement rate (average: 6%) Twitter: 7 posts, 59,584 impressions, 4% engagement rate (average: 4%) Newsroom: 1,300 pageviews (Slip) and 1,000 (RFQ), both more than double previous announcements Website traffic: more than doubled on both sites with notable increase in
	international traffic (LinkedIn and Twitter were responsible for largest volume of referrals to the newsroom and websites)
	Partners / Stakeholders (RFQ): Support across social channels through retweets, shares, likes and comments as well as original content posted by some stakeholders. Partner amplification helped us reach local and international markets including business and investment sectors.
Next Steps	The Paid Media campaign will run for approximately 3-4 weeks (based on impressions). Owned media (social) will be monitored and adjusted as needed to optimize effectiveness.
