

# PROJECT: UNDER GARDINER

*Call for Submissions:*

## **STAKEHOLDER ADVISORY COMMITTEE**

Waterfront Toronto is assembling a Stakeholder Advisory Committee for *Project: Under Gardiner*, a new public space initiative that will transform four hectares of land under the western portion of the Gardiner Expressway into a series of new public spaces. The advisory committee plays an important role in the public consultation process for the project by providing feedback, guidance and advice to the project team (Waterfront Toronto, the City of Toronto, the project designers and consultants, and the donors) at key points during the design and implementation of the project.

We are seeking up to five individuals to volunteer to represent the community-at-large. We are specifically looking for representatives who are involved in heritage and culture, as well as individuals with experience advocating for active transportation (walking and cycling), accessibility, and recreational uses.

Stakeholder Advisory Committee members must be able to commit to attending four meetings—generally taking place on weekday afternoons, two to three hours in length—over the course of the next twelve months.

To express your interest in volunteering for this committee, please send a short summary (200 words maximum) outlining your interest and relevant background to [hello@undergardiner.com](mailto:hello@undergardiner.com) by December 30, 2015.

Learn more at [www.undergardiner.com](http://www.undergardiner.com) or follow us on Twitter [twitter.com/undergardiner](https://twitter.com/undergardiner)

*We encourage submissions from women, First Nations, Metis and Inuit people, people with disabilities and people of other visible and invisible minority groups.*
