MEMORANDUM

Date: July 19 2011

To: West Don Lands Construction Liaison Committee

Re: Construction Update – After hours work at Stormwater Facility, 480 Lake Shore Boulevard

Good morning –

Eastern Construction, Waterfront Toronto's contractor, will be operating an evening shift on the West Don Lands Storm Water Quality Facility, located at 480 Lake Shore Boulevard south of the rail lines.

The evening shift is required to meet time sensitive construction deadlines. The shift will continue for the foreseeable future and will have varying activities as the project advances.

Updates will continue as the project proceeds.

Thanks!
Tari
